

You Can Make a Difference!

The Ottawa Heart
Institute Alumni Inc.

The Ottawa Heart Institute Alumni Inc. provides an ongoing link between the Heart Institute and its community of patients.

Its Goals Are:

- To inform Alumni members of advancements in the treatment of heart disease.
- To promote communication between Alumni and the Institute Staff.
- To assist the Institute in providing service to its patients and former patients.

Some examples of where Alumni dollars go are

Critical Care Beds
Teaching Videos for Patients
Research Studies
Patient Discharge Booklets
Life Support Equipment

What You Get

Membership in the Alumni offers ongoing and up-to-date information on what is happening in health care at the University of Ottawa Heart Institute.

- You receive *The Bulletin*, a newsletter with timely articles written by noted health care professionals.
- You are invited to attend lectures, courses and special events sponsored by the Alumni.
- You are invited to attend the Annual General Meeting and the renowned Alumni dinner with its exceptional entertainment.

The University of Ottawa Heart Institute is a bilingual academic health care institution dedicated to the promotion of cardiovascular health. It is known as an international centre of excellence for the prevention, treatment, and rehabilitation of heart disease through patient care, research and education.

Who May Join?

All patients, former patients and their relatives and friends are welcome to become members of the Ottawa Heart Institute Alumni.

100% of Alumni donations go to patient support and urgently needed equipment.
